From Stargazing to Heaven's Center

When you were born, I can't believe it's been this long since I passed. I started to start the group that is responsible for our lives. We were started by two people, but when you and I grew up about 10 years ago, we were all together. Since then, I've been here ever since.

We all started to think about our old lives and our followers. I didn't think about you, or for that matter,

Chloe. I was just thinking about the loyal

followers that were with me. I was so happy to be

with all these people. Some of the world's best were passing through. I was sure that you're currently sitting and hoping to be able to do it. I did it. I created the team, and I'm sure you'll be very happy to see it. I did it since that long for what we do. It's a team for their support. I'm sure you'll be able to do it.

Some of us would have the tendency to work as hard as we can. I'm sure

that you will work hard. I hope the group will be able to

you that make a big step. I hope you

continue to show us. I'm sure you'll be very happy to see it.

I hope you'll be able to do it. I hope you'll be able to do it.

I hope you'll be able to do it. I hope you'll be able to do it.

I hope you'll be able to do it. I hope you'll be able to do it.

Chloe

The story up until now

There seemed to be a barrier to get to someone, the boy who holds the top position in school. His thinking to get into St. High, and he first once went on the field trip to it, knowing that he was going on the field trip. Miyuu was incredibly worried as she followed him. She ended up meeting the person who was going to a hospital and also seemed to pose a challenge, Mutsu.

Mutsu told Miyuu that she seems interested in him. Miyuu began to worry that things were too much, and ended up going to their graduation party. At that party, Mutsu's younger sister Akasaka was there, and Akasaka also has her sights set for Miyuu, and decides to not afraid to show it. Thanks to John (John Akasaka), Akasaka learned that Miyuu is in the friend zone, so, and told Miyuu that if she loves Akasaka then she should take the St. High entrance exam.

One day, Akasaka confessed to Akasaka, and instead of being happy, he confessed to Miyuu that if he actually likes her or not. He says "I want to be sure that she is the person for me. It's not something I want to really say."

It's a common situation, and Miyuu that Akasaka plans to go to the bank together...

my life

I have

Excuse!

It's not
the same
as before!
This time
it's a real
DATE!

If I have a
boyfriend,
there would
be so much I
would be able
to do with him!

Get Him!

And then,
read the love
letters that
talk about
romance...

And
then...

And then
she has
boyfriends
as a
present.

And she has
many presents
from him!

Afterwards, get
him stuff like a
mathematical
pencil as well
as matching
things for us.

Oh
wow,
what a
great
idea!

In any case,
I have to try
harder. It's
not like it'll
be easy...

More! In order
to become a
girl who suits
Mitsuru-kun!

More!

More!

GRAB

NANA-

It's true,

Could it
be that
this

IT WAS

FROM THE
OTHER TIMES
I'VE SEEN
WITH YOU.

Mitsuki-
kun is so
kind...

Mitsuki-

So that it'll

I'm with
Minami-

can have
this same
happiness.

YAY! O
